

The "Overview" Page: Provides a high-level snapshot filtered for FY2019 in the Central region. It features a combination chart tracking monthly sales against profit margins, alongside stacked and clustered bar charts breaking down sales volume and quantity by product categories (like Bikes, Clothing, and Components).

The "Profit" Page: Displays a focused data matrix detailing total orders, sum of sales, total costs, net profit, and profit margins broken out across multiple fiscal years (FY2018–FY2020) for the Central region.

The "My Performance" Page: Drills down into individual metrics for a specific salesperson (Michael Blythe). It highlights top-level KPI cards—showing his \$8.65 million in total sales narrowly beating his \$8.65 million target—supported by horizontal and vertical clustered charts that compare his monthly sales against targets throughout the year.
